COMPANY OVERVIEW

Constant Technologies offers custom furniture and audio-visual integration for operation and command centers. Constant builds functional, sophisticated pieces that are designed to withstand the rigors of a 24/7 mission critical environment. Our team works with our global clients from concept through completion to design and install a space with top of the line furniture and technology.

PRODUCTS

Constant Technologies is offering the following ergonomic and functional console desks on our GSA Contract:

- Contender Series: Fixed Height Console Desks
- Freedom Series: Adjustable Height Console Desks

CORE COMPETENCIES

Constant Technologies is a premier integrator and furniture designer/manufacturer for mission critical spaces and prides itself on the following:

- Durable, high quality control center furniture
- Flexibility of design
- Responsive customer service
- Thorough attention to detail
- First-in-class installations
- Cutting-edge video wall and collaboration technology

DIFFERENTIATORS

Constant Technologies operates as a single point of contact for the design and installation of both furniture and audio visual technology so that the customer does not need to coordinate multiple vendors and installation schedules. Throughout the process, the team remains customer-focused and anticipates the needs of our clients.
